## **5 EASY STEPS TO HELP US PREPARE YOU FOR THE APPROACHING TAX SEASON**

- 1.** Your account must be current through December 31, 2023 and we must have a completed Organizer on file before we can release your tax package. If this presents a problem, call and we'll do our best to work with you.
- 2.** Hold your Organizer until you have all of the forms you are expecting from banks, employers, contractors, etc., then send everything to us all at one time. **Be sure to make copies of your income statements and send the originals to us.**
- 3.** The LLC Partnership IRS filing deadline is March 15<sup>th</sup>. We will need everything in our office by no later than March 1<sup>st</sup> in order to meet this deadline.
- 4.** Please do not place receipts for 2023 and 2024 in the same envelope. Mixing receipts will only delay your tax package.
- 5.** If you have sub-contractors that will need a 1099 from you, supply us with the following information by no later than January 15, 2024: Contractor's name, social security number, address, and amount paid.

If you should have questions about any of the above or the Organizer, please don't hesitate to call.
